CONFERENCE ANNOUNCEMENT

The Faculty of Chemical Engineering (FCE), Industrial University of Ho Chi Minh City, Vietnam, is pleased to announce the:

SUSTAINABLE CHEMISTRY AND PHARMACY CONFERENCE 2025 (SCPC2025)

Conference Date: September 10–13, 2025

Venue: Industrial University of Ho Chi Minh City, Vietnam: E4 building, E3.2, NC3, NC1 rooms

---

About the Conference

SCPC2025 aims to bring together international researchers, scientists, practitioners, and industry experts in the fields of chemistry, pharmacy, materials science, and environmental science to discuss cutting-edge research and practical solutions promoting sustainability in science and healthcare.

The conference will provide a platform for knowledge exchange, research collaboration, and the development of innovative approaches to sustainable technologies in pharmaceuticals and chemical engineering.

Conference Topics

- Green and Sustainable Chemistry
- Nanomaterials in Pharmacy and Chemical Applications
- Cutting-edged Developments in Surface Coatings and Thin Film Technologies
- Natural Product Chemistry and Medicinal Chemistry
- Advances in Artificial Intelligence in Drug Development
- Drug Discovery and Development
- Advanced Materials for Healthcare and Environment
- Environmental Protection and Waste Treatment Technologies

Publication Opportunities

Participants will have the opportunity to submit their research for publication in the following journals and special issues:

- **Results in Surfaces and Interfaces**

  Special Issue: Advances in Surface Coatings and Thin Film Technologies Indexed in **ESCI** and **Scopus** (Q2). Submission deadline: December 31, 2025

  Website: https://www.sciencedirect.com/special-issue/10T3CGL5ZR9
  Free publishing charge

- **Industrial University of Ho Chi Minh City Journal of Science and Technology**
  Special Issue for SCPC2025

  Submission deadline: **December 31, 2025**

Important Dates

- First Announcement & Call for Papers: **May 15, 2025**
- Abstract Submission Deadline: **July 1, 2025**
- Notification of Acceptance: **August 10, 2025**
- Early Bird Registration Deadline: **August 1, 2025**
- Registration Closing Date: **August 30, 2025**
- Full Paper Submission Deadline (optional): **September 5, 2025**
- Conference Dates: **October 10–13, 2025**

Registration

The full registration fee includes:

- Participation in the technical program
- Two lunches
- One Welcome Party
- One dinner banquet
- Four coffee breaks
- Technical and/or social tour
- Conference bag and/or conference accessories
- Special gift

For the authors who have difficulty paying in US Dollars, Euro, or AUD, VND is accepted.

(*) Students must provide a valid student certificate.

(**) Company/Group registration covers up to 3 participants.

International Delegates (USD/AUD)

Full Registration (Two days)

Category	Early Bird (before 1 August 2025)	From 1 August 2025
Academic/Researcher	200 USD (320 AUD)	300 USD (480 AUD)
Industry Professional	250 USD (400 AUD)	350 USD (550 AUD)
Student (*)	100 USD (160 AUD)	150 USD (240 AUD)
Speaker/Poster Presenter	100 USD (160 AUD)	150 USD (240 AUD)
Company/Group (**)	500 USD (790 AUD)	800 USD (1260 AUD)

One-day Registration (October 11 or 12, 2025)

Category	Early Bird (before 1 August 2025)	From 1 August 2025
Academic/Researcher	150 USD (240 AUD)	200 USD (320 AUD)
Industry Professional	200 USD (320 AUD)	250 USD (400 AUD)
Student (*)	50 USD (80 AUD)	75 USD (120 AUD)
Speaker/Poster Presenter	75 USD (120 AUD)	100 USD (160 AUD)
Company/Group (**)	400 USD (630 AUD)	500 USD (790 AUD)

Local Delegates (Vietnamese Nationals, USD)

Category	Early Bird (before 1 August 2025)	From 1 August 2025
Academic/Researcher	100	100
Industry Professional	150	200
Student (*)	20	20
Speaker/Poster Presenter	50	70
Company/Group (**)	300	400

Registration Fee Awards for Young Scientists and Students

The conference offers a limited number of registration fee awards for young scientists and students under the following conditions:

- Their papers must be accepted after review.
- The request for a registration fee award must be made at the time of conference registration via the official website (registration opens August 1, 2025).
- The deadline for registration and award application is August 30, 2025.
- Reimbursement will be provided after the conference based on the quality of the papers.
- A list of award recipients will be published on the conference website before the event.

Organizing Committee

- **Chairman:** Assoc. Prof./Dr. Van Cuong Nguyen, Dean of Faculty of Chemical Engineering, Industrial University of Ho Chi Minh City
- **Co-chair:** Assoc. Prof./Dr. Nguyen Minh An Tran, Vice Dean of Faculty of Chemical Engineering, Industrial University of Ho Chi Minh City. Head of Organizing Committee.

Contact Information

For inquiries and submissions, please contact:

Email: **fce@iuh.edu.vn**
